Dear Mr. Knoche:

I would like to again extend our very grateful appreciation for your visit to Cleveland. Your conversations and comments were well recieved by our Chapter and will have lasting impact on us.

As you learned, we have a varied "store" of talent in our Group and the members are in contact with a wide segment of the area population. Your posative approach to your job, and your explanation of intelligence functions will be passed on to our contacts and we hope we can help in that small way.

It was a pleasure to meet your wife and certainly hope she enjoyed her visit.

Keep up the good work,

Respectfully,

President, Cleveland Army Chapter No. 8

Dear Major Perry,

Thank you for your letter of January 20 to Mr. E. Henry Knoche, Deputy Director of Central Intelligence, requesting his appearance at your general meeting in April. I apologize for the delay in responding, due to the general transition situation and the appointment of a new director of the Agency.

Mr. Knoche appreciates your invitation and if the date of April 20 is still open he would be pleased to appear. If for any reason he is unable to make the trip due to the press of business we would arrange for a substitute speaker from this Agency.

I will be pleased to discuss the arrangements with you by phone. We will try to contact you but in the event we are unable to do so I would appreciate your phoning me here

Once again, I apologize for the delay in answering but we are pleased to try to meet your needs.

Sincerely,

Deputy Assistant to the
Director of Central Intelligence

Dear Mr. Knoche:

As an alumnus of W&J ('59) I received by copy of "The Independent Spirit", VOL 1, and read with great interest the article discussing your address to the homecoming banquet.

As President of the Army Chapter 8 of ROA, we are planning a general meeting in April of this year for all chapter members in the Cleveland area. We hope to secure a speaker for the meeting who is in the mainstream of National security and defense and open the meeting to the AUSA, and interested civilian and political individuals from the area.

Since an audience of concerned individuals, most of whom are actively working in fields of public service, and military Reserve would be extremely interested in your comments, I would like to ask you if you could honor us with a visit.

We are considering Wednesday 20 April as a primary date, with Monday 18 April as an alternate.

Would you please advise me of your availability and arrangements you require.

Thank you in advance for your consideration,

Sincerely,

JOHN S PERRY ('59)
MAJ, SC, USAR
